

Dialogue Paddington Bear – Sophie (Matching exercise)

Situation: Paddington Bear is missing his favourite marmalade. He is sure that one of his friends must have taken it. He's talking to Sophie about his plan.

Match the text boxes to fill in the speech bubbles:

Hi Sophie. I'm missing my favourite marmalade. Someone must have taken it.

Yes, I am. Tomorrow **I'm going to be** my own detective and dress like Sherlock Holmes.

I'm going to wear a hat and a long coat. And I'm going to smoke a pipe.

After breakfast **I'm going to buy** a magnifying glass.

I'm going to make a list of my friends who love marmalade.

Then **I'm going to visit** these friends for afternoon tea.

And how **are you going to find** out who the thief is?

I'm going to look for my marmalade with my magnifying glass in their houses.

Oh Paddington Bear, are you sure?

What **are you going to wear**, Paddington Bear?

Hat, coat and pipe. That's a good idea!

How **are you going to start**?

And what **are you going to do** next?

OK Paddington Bear. I wish you good luck!
