

## The parents' evening

Your parents are interested in your plans for your trip to London.

Prepare a **presentation** for a **parents' evening**.

- 1) Your parents would like to know **what you are going to do** in London.
- 2) However, you know your parents are always worried about you. So you also have to tell them **what you are not going to do**.

You can (but don't have to) use the presentation as a model. If you use it, make sure that you fill in the gaps.

Feel free to use your own ideas for your presentation, too.

presenter: *We are going to go to London from Monday to Wednesday. X is going to talk about Monday, Y is going to talk about Tuesday and Z is going to talk about Wednesday.*

*X, what are we going to do on Monday?*

X: *Well, in the morning we are going to ...*

presenter: *Thank you for your presentation. Y, please tell everybody what we are ... on Tuesday.*

Y: *We are going to ... in the morning.*

presenter: *Thank you very much. Z, what about Wednesday?*

Z: *On Wednesday...*

presenter: *Thank you very much. We all know that you, dear parents, sometimes worry about things we can do. We can tell you what we are not going to do. X, what are you not going to do in the youth hostel?*

X: *I am not going to ... and I am not going to ...*

presenter: *What about your plans, Y? What are you not going to do when you have free time and leave the hostel in a small group?*

Y: *I am not going to ...*

presenter: *What aren't you going to do when you are on the Tube?*

Z: *I am not ...*

presenter: *Thank you very much, all of you. Are there any questions?*
