

Looking back and forwards

In the last few lessons you learned how to apply for a job.

Now, think about your work:

What went well?

What are you proud of?

What was difficult?

Could you solve these problems?

Tick Yes or No

Yes

:

No

:

Who or what helped you?

Why not?

You worked on five different aspects.
(personality test, job profile, CV, cover letter, job interview)
Would you like to learn more about...

 personality tests

 your dream job

 CV

 cover letter

 job interview

 What would you like to do better?

   Who or what can help you?

What advice can you give to someone who would like to apply for a job, a scholarship and exchange program etc.?
